Class 3 News

Dear Parent/ Guardian,

I hope you had a wonderful Christmas and I would like to wish you a very happy and peaceful New Year. I would like to thank you for your season's greetings and the presents I have received,

This term we have been able to secure the expertise of a dance teacher to help with our Moving Targets performance, which will be during the week beginning March 23rd at the Courtyard Theatre. We will be having weekly sessions in the hall every Tuesday morning. More details of specific dates and how to purchase tickets will follow. Please make sure your child has their indoor and outdoor P.E kit available every Monday and Thursday. We will be swimming on a Wednesday morning this term. A separate letter will be sent with the details on.

It is also essential that children have an apron or shirt for messy work in art work. May I also remind you that the children are welcome to bring fruit or vegetables from home to eat at break time. We would like to encourage all children to bring a named water bottle which can be refilled at break times.

We are delighted with the response to TT Rock Stars. It is easy for us to monitor the frequency it is being used at home. Those children who have practised regularly are making fantastic progress which is not only motivating for the child themselves but also makes a positive impact on their speed and accuracy of many of our classroom activities.

It is essential children continue to read from a wide range of material including fiction, non-fiction and poetry. Weekly spellings are included with this letter and on the back are the Maths Key Instant Recall Facts for your child to learn too.

We have our residential to Woodlands to look forward to on 14th - 15th May 2020. I will send out a detailed letter nearer the time. Thank you for the deposit to secure a place, you are welcome to pay the balance of £60 in instalments to Liz in the office.

We always welcome volunteers to enhance our school activities. Please see me if you can help in this way.

The attached topic sheet shows you ways you can enhance your child's learning and I have extra resources and book lists if you require any further advice.

Yours sincerely,

(Mrs Sarah Plumridge)
