Class 3 News

Dear Parents/Carers,

I hope everyone had a lovely Easter break! I know for me personally, it felt like the first 'normal' holiday we've had for a while and was most welcomed!

I've really enjoyed meeting parents and children over the last term and getting to know everyone! I'm feeling very much at home and I hope that feeds back through the children to home too.

The attached topic overview for the term outlines all the areas we will be focusing on between now and the end of the year and may provide inspiration of ways in which you would be able to enhance your child's learning outside of school and questions you may be able to ask your child about their learning. As opposed to the standard response of 'we've done nothing!'

We have a much less hectic weekly schedule this term after all the PE, dance and forest schools last term so it should be much easier to remember what to bring in!

P.E. will continue to be on a Monday and Thursday so children will need to bring kit in on those days if it is not already in school. Please ensure your child is dressed in the appropriate P.E. kit for the weather. Obviously, this is likely to get much hotter over the next few weeks. This should include trainers, plain black or navy joggers, a white t-shirt and a black or navy jumper.

We would like to encourage all children to bring a named water bottle which can be refilled at break times.

It is essential children continue to read from a wide range of material including fiction, non-fiction and poetry. There are maths and spelling activities also available on Google Classroom; please let me know if you have any access issues with this, I am aware of a couple of instances.

If there are any other issues or questions, please feel free to speak to me at the end of the day or arrange an appointment at the office.

Yours sincerely,

Mr Craig Brindley
