

Wednesday 10th January 2023

Dear Parents/Carers,

I hope you all have enjoyed a wonderful Christmas and New Year.

Please find attached Class 2's curriculum overview. This shows what your child will be learning this spring term and ways you can enhance your child's learning.

Reading is an incredibly important part of your child's learning. Please try and find the time to sit and read with your child, asking them questions which will show they have a good understanding of their reading.

A new phonics reading book will be sent home on Monday, Wednesday, and Friday. Also, a sharing story for you to read to your child will be sent home each week. We have finished our Year 1 phonics sounds, so during the spring term, we will be recapping previous sounds as well as introducing split digraphs. This will mean that on Thursday your child will come home with a phonics activity sheet they have covered previously, depending on the sound they would benefit from recapping. Keywords will be tested throughout the week. Please help your child by practising these at home.

On Mondays and Fridays, Class 2 will be having their P.E. lessons. On these days, the children will need to come to school in the appropriate sports kit. This should include black trainers or pumps, plain black or navy shorts or joggers (depending on the weather), a white t-shirt, and a school jumper or cardigan.

Please ensure that your child has their book bag, waterproof coat and a bottle filled with water for the classroom in school every day.

If you require any further information, or have any queries or concerns about your child, please do not hesitate to contact me.

Yours sincerely,

Miss Roberts
