## Summer Term 2024

Dear Parents/Carers,

I hope that you all enjoyed a fantastic break over the Easter holidays. It has been so lovely to hear about all the exciting activities the children have been involved in during their break. We have had a brilliant first week back, full of enthusiasm and excitement.

The attached curriculum overview outlines our topics for the summer term. This may give you some ideas on how to enhance your child's learning outside of school.

Reading is an incredibly important part of your child's learning. Please try and find the time to sit and read with your child, asking them questions which will show they have a good understanding of their reading. Phonics books will be changed every week on a Monday, Wednesday and Friday. Each week, the children will choose a sharing story for you to read together.

Keywords will continue to be tested each week. We will continue to send home 'Precision Teaching' sheets related to your child's keywords. They can be used as a fun challenge to try and improve their time reading all their keywords. The keyword sets are often words that are unable to be decoded by sounding out, so will need to be learnt by sight.

Some of Class 2R will be swimming this term in a two-week block. This will take place towards the end of June after the half term break. A separate letter will be sent out with more information, closer to the time.

Please ensure that your child has their book bag, a waterproof coat, and a named water bottle which can be refilled throughout the day. In addition, a full P.E. kit will need to be worn on a Monday and Friday every week. This should include plain black trainers, plain black or navy shorts and joggers or leggings, a white t-shirt and a school jumper.

If you require any further information, or have any queries or concerns about your child, please do not hesitate to contact me.

Yours sincerely,

Miss Roberts
